

# 4 THINGS TO CONSIDER BEFORE YOU APPLY FOR A HOME LOAN

## OVERVIEW

Listed are the main 4 essentials which will give you an insight into a home loan. An approved loan can light up your life instantly.

### 1. CONSIDER YOUR BUDGET AND EMI

The depletion of certain fish species, the upset of underwater ecosystems, the threats on jobs and food sources are some of the main impacts of overfishing.

### 2. CHECK CREDIT SCORE

Credit score plays a very vital role in determining your credit health. It is not just a mere three digits. It depicts a lot about your financial capabilities.

### 3. DOCUMENTS REQUIRED

A detailed list of the document will be needed when you apply for a home loan. Every lender will provide you a list of documents they would need to process your loan.

### 4. IDENTIFY THE RIGHT LENDERS

Shop the right banks and lender to take the loan. A lot depends upon the lender and bank you are taking from.
