WHO WE ARE?

Easy UCR is part of The Paradigms Inc and we have established in the fields of electronic tolling, taxation, electronic logging solutions, education, healthcare, e-commerce, and consulting services to customers around the world. We specialize in building effective long-term development teams for our customers, meeting technological and communication needs in multiple time zones. Currently, we have the following portals are running in live and serving to the trucking industry.

WHAT IS UCR?

The UCR Act, established in 2005, requires motor carriers involved in interstate commerce, and other businesses subject to The Act, to submit annual fees based on fleet size to supplement funding for state highway motor carrier registration and safety programs. The UCR Program requires individuals and companies that operate commercial vehicles who are involved in interstate and international travel.

UCR FEE STRUCTURE

Fees Under the Unified Carrier Registration Plan and Agreement for the Registration 2019 and 2020 years
