

6 Outdoor Landscape Lighting Ideas for Your Yard

1.

1. Path Lighting

For a reassuring sense of safety and security, place small lights along your walking paths.

2.

2. String lights

They're great for decorating around the pool, hanging around a tent for a small backyard adventure, and having family barbecues.

3.

3. Outdoor Living Area

If you can't use the backyard as an outdoor living space after dark, it isn't much use.

4.

4. Pergola Lights

For a warm, inviting ambiance, hang a few sparkling string lights or floating lanterns.

5.

5. Solar Lighting

Solar Lighting Professional landscape designers can be hired for as little as \$50 per hour.

6.

6. Motion Detectors

Because of their security and powerful floodlights, motion sensors are useful. When it detects the motion of a potential intruder, these clever lights flash to warn homeowners. Even better, you can install a security camera that starts recording as soon as a signal is picked up.
