

Award winning Montessori in Electronic city, Bangalore Top class Montessori in Electronic city, Bangalore

About Electronic City:

Electronic City is a major technology hub located in Bangalore, Karnataka, India. It is spread across approximately 800 acres and is divided into three phases. The area was developed in the early 1990s to cater to the growing demand for software and electronics companies in Bangalore.

Some of the major IT companies that have their offices in Electronic City include Infosys, Wipro, TCS, HCL Technologies, and Siemens. In addition to IT companies, there are also several [educational institutions](#), hospitals, and residential complexes in the area.

Electronic City is well-connected to other parts of Bangalore via the NICE Ring Road, Hosur Road, and the Bangalore Metro. The area is also home to several shopping malls, restaurants, and entertainment options.

Overall, Electronic City has emerged as a key contributor to the growth and development of Bangalore as a major technology hub, and continues to attract businesses and residents alike.
