★ ALOE VERA

Who isn't aware of the benefits Aloe Vera brings to our skin is well known for its intensive skin care properties. It is a great anti-inflammatory and anti-bacterial agent and also a natural ingredient for glowing skin and also relieves users from several skin conditions including acne, scars and sun damage. Hyaluronic Acid in this gel works as a perfect moisturizer and Avocado extracts not only nourishes but is a perfect sunblock as well.

★ ORGANIC FACE MASK

Our Organic Face Mask is one of the Best organic face mask in India. It is made with pure Kaolin Extracts which are full of essential vitamins and minerals that help to protect your skin, repair damage, and fight against wrinkles and the other signs of ageing. Liquorice is also high in anti-oxidants that also assist in the fight against free radicals, which are the primary cause of ageing. Further, the clay mask helps you to extract pollutants and toxins from your pores making your skin smooth, baby soft, and clear.

★ D-TAN FACE PACK FOR TAN REMOVAL & SUN DAMAGE PROTECTION

D-Tan Pack by Cerise Naturals is an advanced formula for most instant tan removal and brightening results. It's also effective for acne and oily skin. We have curated this D-Tan Pack with a blend of mint, clove, camphor, Vitamin E, Eucalyptus and Arbutin. Mint leaves can act as a mild astringent that helps in toning the skin naturally. It removes the dirt from the pores and revamps the skin to a supple and well-hydrated tone. It will also be beneficial in improving blood circulation to your skin and will also prevent wrinkles and fine lines.
