

SunTec®

SOLUTIONS

PERSONALIZATION

Tailor your offer to each customer's specific needs

1

PRODUCT RATIONALIZATION

Reduce complexity, enable agility, and offer a spectrum of choices to your customers

2

NEGATIVE INTEREST MANAGEMENT

Acquire the capabilities required to rapidly roll out negative interests and evolve with the policy

3

E-INVOICING

Increase transactional efficiency and ensure complete digital invoicing while also staying compliant

4

ACCOUNT ANALYSIS SOLUTION FOR BANKS

Deliver accurate and transparent account analysis statements

5

BANKING-AS-A-SERVICE

Deliver lifecycle experiences through the ecosystem and not with mere products and services

6

VAT

Comply with Value Added Tax(VAT) in the GCC

7

INVOICING SOLUTION FOR SWEDISH BANKS

Meet your invoicing needs seamlessly and automate end-to-end billing process

8

CREDIT CARD SOLUTION

Personalize your credit cards program to attract and retain customers

9

ESG SOLUTION

Accelerate your bank's progress on its ESG journey with the SunTec ESG solution

10
