SIMPLIFIED UTILITY BILL MANAGEMENT

BENEFITS OF ONLINE BILL MANAGEMENT

"Stay Updated" - Show a home with a mobile phone displaying a bill notification. "Save Time" - An icon of a clock with a dollar sign to represent time savings. "Eco-Friendly" - An Earth icon with a green checkmark to signify sustainability.

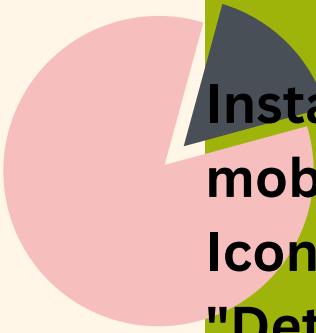

STEPS TO GET STARTED

"Create an Account" - Illustrate a user setting up an online account. "Link Your Bills" - Show icons of various utility bills (electricity, water, gas) linked to an account. "Set Up Notifications" - Display a notification bell next to a smartphone.

CHECKING YOUR BILLS

"Instant Access" - An image of a laptop and a mobile phone with bill details. "Billing History" - Icons showing past bill records in a folder. "Detailed Insights" - A magnifying glass over a bill, highlighting details.

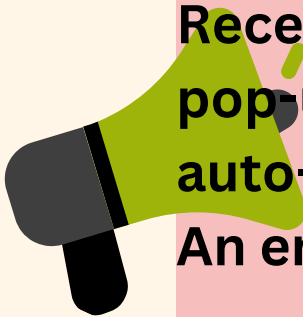

MAKING PAYMENTS

"Choose Your Method" - Icons representing various payment options (credit card, bank transfer, mobile wallets). "One-Click Pay" - A hand clicking a 'Pay Now' button on a screen.

STAYING INFORMED

"Receive Alerts" - A smartphone with a notification pop-up. "Auto-Pay Options" - A calendar with auto-payment dates marked. "Email Statements" - An envelope symbolizing e-statements.
