DSRV AND CO LLP

1

TAX PLANNING | INCOME TAX

We understand that tax planning is one of the most crucial ingredients of financial planning and must be handled with due care and diligence. Our object is not tax avoidance but is focused on tax efficiency.

2

GST AUDIT | GST REGISTRATION

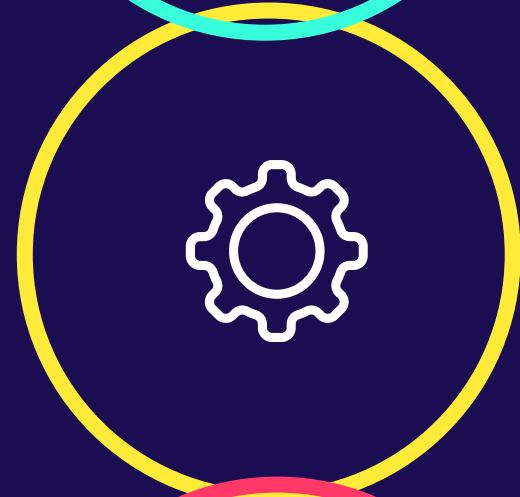

Registration in GST is quite dynamic as taking GST registration is as important as where to take registration to ensure optimum utilisation of input tax credit. Our expert team is doing research on the subject and provide expert advice to our clients.

4

RELIABLE CROSS BORDER TAX SERVICES | DSRV INDIA

International tax services are specialized support offered by tax professionals to people and businesses engaged in cross-border transactions or doing business in various jurisdictions.

5

STREAMLINE YOUR TAX PROCESS

Filing income tax returns can be a difficult task, but with the right documents in hand, it becomes much more manageable. Understanding the documents required to file income tax return is important for a smooth ITR filing.
