

# HOLIDAY SAFETY TIPS

## TRAVEL SAFELY

Plan your trip in advance, allowing extra time for potential delays. Ensure your vehicle is in good working condition, especially if you're embarking on a long road trip.

## HOME SAFETY

Ensure your home is secure when you're away, using timers for lights to create the illusion of occupancy. Keep candles and open flames away from flammable materials.

## FIRE SAFETY

Have a fire extinguisher readily available in the kitchen and near the Christmas tree. Avoid overloading electrical outlets and power strips.

## FOOD SAFETY

- Wash your hands and surfaces often when preparing food. Cook food to the appropriate temperature, using a food thermometer to ensure it's safe to eat.

## PERSONAL SAFETY

Be cautious of your surroundings when shopping, and avoid displaying expensive items in public.
