**Artify360** An in-depth guide to employee performance management

- 01 Setting clear performance expectations**  
The HR system is an enabler facilitating, defining, monitoring, and aligning employee objectives with the broader organizational mission.
- 02 Ongoing feedback and communication**  
The value of continuous feedback cannot be overstated. It transforms the performance evaluation process from a static event into a dynamic conversation.
- 03 Self-assessment and employee involvement**  
Engaging employees as active participants in their performance journey is a game-changer. HR tools empower employees to provide self-assessments, offering insights into their accomplishments and areas ripe for growth.
- 04 Performance metrics and evaluation**  
Metrics are the backbone of practical performance evaluation. The HR system takes center stage by seamlessly compiling and dissecting performance data.
