We are residential real estate appraisers who specialize in probate, trusts, gifting real property, tax appraisals, income tax, divorce, property tax appeals, estate, cash sales, condominium, vacant land, expert witness testimony, and portfolio valuation appraisals. These are real property non-lending appraisals that are for private use not for lending appraising. If your accountant asked you to get an appraisal for a step-up valuation or cost basis for your taxes, we can help with IRS-certified appraisals too. Our qualified appraisers understand the importance of confidentiality in dealing with estate, probate, or divorce proceedings. Contact us anytime so we can answer specific real estate appraisal questions you may have.

Our focus is on non-lending clients, such as homeowners, attorneys, and accountants needing a market expert to deliver real property appraisals for:
