

## STUDY TIPS FOR ONLINE CLASSES

1

### Make a Study Plan

Schedule important sequences of the week. Be sure to set aside enough time for school without distractions.

---

2

### Take Notes

Write down what you need to make documents easier to find when needed

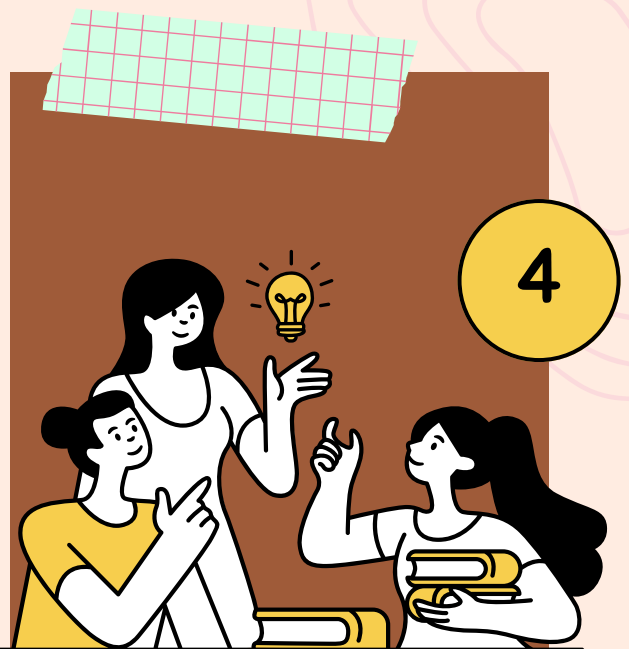

---

3

### Conducive place

Choose a place that is conducive to online learning. stay away from crowds and choose the right time while studying

4

### Find partner

Form a study group with two of your friends to discuss
